Internship agreement

Article 1: Objectives and tasks of the internship

- The purpose of this internship is to provide the student with experience of the practical application of theoretical knowledge he or she has already acquired and to acquire new skills and knowledge. The host organisation and the educational institution will ensure that the student-trainee is given tasks and responsibilities according to the level of competence of the student and the educational objectives for the training period. This agreement therefore is not an employment contract.

Educational objectives:

- In general: the student must show that he is able to function at the level of a 3-years student by completing one or more practical assignments. Usually these assignments are carried out in the business community.

Tasks of student-trainee: responsibilities in order to meet these objectives, defined by the on-site Supervisor.

Article 2: Supervision and evaluation

- The educational institution (or unit of educational programme like a faculty) will assign an Educational Supervisor responsible for the student's internship and the host organisation will name an on-site Supervisor. If any problems arise, the on-site Supervisor will contact the Educational Supervisor.
- At the end of the internship the educational institution requires a report from the student-trainee, the detailed requirements for this report will be available to the student before the internship begins. The host organisation will be presented a copy of this report.
- The host organisation will provide the student-trainee with an evaluation of his or her internship as well as a written confirmation that the scheduled work programme has been undertaken and completed.
